

Subject: Request for Sponsorship

We are writing this email to cordially ask if you or your company will be interested in sponsoring the **17th ACM Workshop on Hot Topics in Storage and File Systems (HotStorage 2025)**. For many years the HotStorage workshop provided a forum for cutting-edge storage research. This year the workshop will be held in **Boston, MA on July 10th and 11th, 2025**. The workshop is sponsored by ACM SIGOPS (and has in-cooperation status with USENIX) and the proceedings will appear in the ACM Digital Library. During each workshop in the past 3 years, we attracted 114-274 registered attendees and we expect similar attendance this year. We appreciate your contributions towards supporting the workshop, which will be used, e.g., to offer best paper awards. We are offering four sponsorship levels, each with the benefits mentioned below.
